## HOW TO USE THE VISA DEBIT CARD FOR PURCHASES

When you are ready to make a purchase, simply swipe your card at that merchant's terminal. You may be asked to choose a transaction type of Debit or Credit. If you choose to select "CREDIT", the funds are deducted directly from your **share draft checking account**, which means you pay no interest charges on purchases or cash withdrawals. Should you select DEBIT and enter a pin number, transaction fees may apply. When the transaction is done processing, sign the printed receipt, if required and you'll be on your way. It's that simple!

## HOW TO USE THE VISA DEBIT CARD FOR ATM TRANSACTIONS

Insert your ATM card at any ATM terminal that uses the same ATM networks displayed on the back of your card, enter your PIN number and follow the screen prompts for routine ATM transactions.
